

THAJMAL KHAN M.H

B.Sc. Computer Science with AI • Chennai, India • +91-9087346082

thajmalkhan123@gmail.com | github.com/thajmalkhan | linkedin.com/in/thajmalkhan-video-editor

OBJECTIVE

A driven CS + AI student and self-taught builder, actively developing an AI voice assistant (JARVIS). Looking to apply technical and creative skills in a role that rewards execution and initiative.

EDUCATION

Honours Diploma in Computer Application (HDCA) | 2023 – 2024

B.Sc. Computer Science with Artificial Intelligence | 2024 – 2027

The New College, Chennai

PROJECTS

JARVIS – Personal AI Voice Assistant | Python

- Built with Python, tkinter GUI, pyttsx3 voice output, and speech recognition
- Supports Tamil and English voice commands with 'Hey JARVIS' hotword detection
- Features ChatGPT integration, app control (open/close), and Iron Man-style animated GUI
- Added audio visualization and real-time voice feedback loop

Freelance Portfolio Site | Web / Design

- Personal portfolio showcasing design and editing services
- Covers Photoshop work, poster design, and video editing for clients
- Built with focus on SEO, clean presentation, and visibility
